Scroll the table horizontally.

Terracotta Travel Mug

P-103

An edit stays with its product.

The familiar schema and request now sit inside an accessible dialog.

Edit Studio Desk Lamp

Update the name and stock. Save submits the draft; Cancel discards it.

Product name

Everyday Backpack

Another product already uses this name.

Stock

12

Whole units, 0–9999.

Save product | Cancel edit

The rejected draft stays visible. Focus returns to the field that needs attention.

Keyboard: focus enters the name field; Tab stays inside. Cancel returns to the row action when it still exists. Escape closes only while no save is pending.

Saved defaults respect a shared link.

CLIENT CHANGE CR-35-01 / Guided v2

Address has a view

/?q=travel

Show the Travel Mug

Keep the explicit URL. Do not overwrite it with the local studio snapshot.

Address has no view

/

Restore the saved studio view

Write one validated snapshot into the URL once. Start on page one.

Explicit empty search

/?q=

Show all products

Presence counts: an empty or invalid managed parameter still belongs to the link.

Later clear or Back

User clears the search

Respect the user action

Do not restore the snapshot again during the same mounted workspace.
